English

- We will be exploring a range of texts including *Operation Gadgetman!*, *The Last Castaways* and *Please Mrs Butler*.
- Through these texts the children will be using a range of writing skills to create adverts, stories, setting descriptions and instructions
- We will also continue to focus on improving spelling, punctuation and grammar with a particular focus on spelling this term. Please continue to practise **weekly spellings**.

Maths

- This term in Maths we will focus on fractions as well as time, shape and measure.
- The children will also be continuing to learn their multiplication tables.
- We will continue to practise their mental maths through our maths assessments and fluency sessions.
- Activities to support learning will be set on **learning with parents**.

DT/Art

- Our Art project will explore the work during the Roman period through mosaics. We will look at repeating patterns and create our own mosaics.
- In DT we will be looking at Food Hygiene, food recipes and will be creating our own recipe for seasonal tarts. We will look at different flavours and methods to cut.

Revolutionary Romans- History Making a difference - Geography

Key information

Stunning start – Roman crafts.

Fantastic finish- Roman banquet.

PE - Please wear PE kits on Tuesdays and Friday (plain white t-shirt, black shorts/ jogging bottoms and plain trainers.)

Science

- In science we will be looking at plants
- We will be developing our scientific enquiry skills through a range of practical investigations comparing seeds and bulbs
- We will look at how plants grow and how conditions can affect their growth

Thematic

During this term, In History the children will be learning about The Romans and their impact on Britain. We will look at:

- The power of the Roman army
- The Roman empire and its expansion
- Where and how they invaded
- Their place within history and how they have influenced modern life.
- British towns which were changed by the Romans

Next term, in Geography we will be learning about how to live sustainably and our impact on the world's climates.

What can you do at home to help?

- You should hear your child read regularly and record this on learning with parents. To help them further you could ask them questions about what they are reading and what is happening in the story.
- You should encourage your child to practise their times tables. Some websites we use at school include: **Hit the button** and **the Daily 10**.
- You should test them on their weekly spellings (spelling tests will be on Fridays.)
- **Please complete any work set on Learning with Parents**
